BODYCOMBAT: A high energy mix of kick boxing, tai chi, karate and self defence that burns bulk calories.

BODYJAM: An addictive fusion of dance styles with an emphasis on having fun and breaking a sweat.

BODYPUMP: A strength workout that uses a barbell and weight plates to shape and tone the muscles.

LES MILLS CORE: A 30 minute core workout that builds strength, stability and endurance in the muscles that support your core, including the abs, glutes and back.

GRIT ATHLETIC: A 30 minute high intensity interval training (HIIT) workout that focuses on increasing your athletic performance: strength, agility, speed and power.

GRIT CARDIO: A 30 minute HIIT workout featuring explosive high impact bodyweight exercises to increase your speed and maximise calorie burn.

GRIT STRENGTH: A 30 minute HIIT workout that uses a a barbell, weight plates and bodyweight exercises to build your strength and tone your muscles.

THROWDOWN

CARDIO/POWER: A combination of high volume HIIT and variable intensity exercises. Each session will be different using the Throwdown rig and other cardio pieces that will give you fitness results FAST!

FUNCTIONAL/STABILITY: This session includes flexibility, core work, balance training, resistance training and cardio exercises. The emphasis is on developing technique and building greater functionality.

THROUGH THE ROOF: Blast your cardio and muscle capacity with lots of short, intense intervals to improve athletic capacity and fat burning. Be prepared to work hard, get a sweat on using the Throwdown rig, cardio equipment and the trainer's imagination.

THROWDOWN EXTREME: A balance of both cardio and strength exercises with an emphasis on cardio movement being target based and strength exercises focused on higher resistance and less reps.

ZUMBA

ZUMBA: A Latin American inspired dance cardio workout in a fitness party atmosphere that helps improve your coordination and strength.

CYCLE

RPM™: An indoor cycling workout where you ride to the rhythm of powerful music that will increase your cardiovascular fitness, burn fat, and tone and shape your legs, hips and butt.

SPIN: An indoor cycling class providing ultimate fat-burning. It's the perfect workout for those looking to improve their outdoor cycling techniques.

YOGA + PILATES

YIN YOGA: Targets ligaments, bones and fascia of the body. Yin is a great way to release tight muscles, calm the nervous system and increase flexibility and range of motion.

VINYASA YOGA: Derived from Ashtanga, Vinyasa is a vigorous practice aligning breath and movement to make you sweat.

BACK TO BASICS: A fun and interactive practice slowed right down, giving you time to get into and out of the poses. Perfect for beginners!

POWER FLOW YOGA: A dynamic vinyasa class that focuses on developing strength by building upon a sequenced flow with attention to alignment and form.

MAT PILATES: A mix of low-impact mobility and strength exercises, led by a physiotherapist. Perfect for those wanting to improve their flexibility and posture.

CHAIR YOGA*: An adapted form of yoga that allows you to perform yoga movements while seated, making it ideal for seniors and those recovering from an injury.

**This trial class is only \$5 for non-members*

AQUA

AQUA 4 ALL: A low impact, medium intensity pool workout that increases your flexibility and range of motion while strengthening and toning your muscles.

AQUABALANCE: An empowering pool workout inspired by traditional holistic movements to help improve core stability, reduce fatigue and enhance lung capacity.

AQUACARDIO: A high energy, fast-paced pool workout that burns calories and tones your muscles while improving your stamina, coordination and balance.

AQUA HIIT: A high intensity aqua running class that improves your cardio fitness and strength without the stress on your joints or muscles.

AQUA ZUMBA: A low impact, high energy dance-inspired pool workout featuring Latin rhythms to splash and sweat to.

DEEP AQUA: A low impact, non-weight bearing pool workout that burns fat, increases muscle strength and improves your range of motion.

Please see your instructor if you are new, injured or on medication that might affect your workout.

Entry to classes is not permitted 5 minutes after they have commenced.
